DIRECTIONS TO 'ALASKA'

Harleyford Estate is accessible from either the M40 (junction 4) or the M4 (junction 8/9), then follow signs to Marlow on the A404. For those using GPS please note that whilst the above postcode will find the Harleyford Estate it will take you to the golf club rather than the boat and may even try to direct you down a lane with no access.

From the centre of Marlow take the A4155 towards Henley on Thames (straight over roundabout with statue).

Harleyford Estate is about 1.5 miles out of town, and the main drive, signposted Harleyford Estate, is on the left hand side adjacent to Harleyford Golf Course. The junction is marked by a traffic island.

After announcing yourself to the Security Gatehouse, continue down the main drive and follow the signs to Harleyford Head Quarters/Marina Reception.

When you reach the straight flat road which runs parallel with the river, take the first turning on the right about half way along the straight next to the row of new log cabins.

The turning is signposted Eastern Spit and also Showboat.

After the last log cabin on the right, bear right and drive into the car park.

Alaska is moored in the far left hand corner directly behind a large barge restaurant called Showboat .

In case of difficulties or in the event you are delayed, please call Alaska's Captain directly on 07774 925323
